## Your Myers Resource

Myers offers an array of free resources to help you get the most out of your website. We recommend you post this sheet as a quick at-a-glance reference for online training, support and regional sales manager contact information. Or, you can always visit <http://support.myers.com> or <http://support.myers.com/realestate> (Real Estate Clients) for updated training schedules, online support and contact information.

### Myers Support

Myers Support is a web resource center that contains the most up-to-date documentation and other support tools.

Sources available in Myers Support

- Product documentation
- Online website support
- Training schedules and recorded tutorials

### Free Phone Support

We're here to help. Myers customer service is a dedicated team of skilled professionals who are committed to working with you to answer all your questions and resolve issues as quickly as possible. Myers customer service is an excellent resource when you have a quick question or tech support need. Call Myers customer service at 1-800-693-7770.

### Online Training

We highly recommend you "hit the ground running" by taking our Introduction for First-Time Users class, which is essential for back office administration, website customization, search engine optimization, and a unique web presence. But that's not all – browse all of our classes and take our recorded tutorials at your convenience.
